

CAS ISSUANCE DEADLINES

August 2026 - November 2026 Start Dates

Please see below the latest date that INTO will issue a CAS for courses starting in between August 2026 and November 2026.

Notes:

- All students should aim to arrive by the course start date, and only arrive later due a delayed visa.
- CASs issued after the course start date are issued on the understanding that students will travel immediately once their visa is granted.
- Students who arrive after the course start date should understand that they will need to catch up on any studies that they missed to successfully progress through the course.
- These deadlines are correct at the time of publication, and we reserve the right to adjust these deadlines if required.
- For any student applying for CAS after the deadline for the standard visa service must confirm if they are using either the priority, or super priority, visa service to be issued a CAS.
 - The Priority/Super Priority services are not available in all Countries/Regions
- To ensure that INTO can issue a CAS by any of the deadlines shown below, we advise applicants to request CAS from INTO at least two-working days prior to deadlines.
- CAS will not be issued unless the CAS Release Fee is paid as shown on the students offer, and the funds are showing as cleared in our bank accounts. Therefore, we advise students to confirm and pay necessary fees with time allowed for funds to clear before requesting CAS.
- No CAS will be issued after these deadlines without prior approval from the centre.
