

Charles Sturt
University

#1 public uni in Australia for grads who get jobs*

Bachelor of Dental Science

If you have a real desire to improve people's health, wellbeing and enjoyment of life, dentistry may be the ideal career for you. The fully accredited Bachelor of Dental Science from Charles Sturt University qualifies you for registration as a dental practitioner in all Australian states and territories.

As a dental science graduate, you'll contribute to combating the chronic shortage of dental and oral health workers Australia-wide.

Once registered as a dentist, the job prospects are excellent. Most dentistry students know if they have a graduate position by December of their final year.

Why choose Charles Sturt University?

International student scholarships

As a new international student, you may be eligible for a discount of up to 50% for the duration of your course (check our website for eligibility and conditions).

High in graduate salaries

Charles Sturt is ranked second among Australian universities for graduate salaries for both undergraduate and postgraduate students, with a median of \$75,100 and \$104,400 respectively*.

Our graduates get jobs

We're #1 in Australia for grads who get jobs, with 90% of Charles Sturt graduates gaining full-time employment within 4 months of graduating*.

Employers know Charles Sturt grads are skilled, confident and ready to get to work.

Extended post-study work rights

By living and studying on-campus in a regional area, you could be eligible for extended post-study work rights – meaning you'll have more time to find work to put your qualifications into practice after graduation.

Our campuses

At Charles Sturt, we're geographically gifted.

We have six campuses across regional Australia in Albury-Wodonga, Bathurst, Dubbo, Orange, Port Macquarie and Wagga Wagga, as well as our metro locations in Melbourne and Sydney.

Our study locations offer international students a safe and friendly Australian cultural experience, ensuring you feel at home while pursuing your educational goals.
