

Charles Sturt
University

#1 public uni in Australia for grads who get jobs*

Master of Professional Information Technology

The Master of Professional Information Technology will put you at the cutting edge of the IT industry - where employers need you to be. Designed specifically for international students, this course gives you all the fundamental tech skills you need - and you'll be able to choose a specialisation in an in-demand area, such as data science, artificial intelligence, cyber security, networking or software development.

Plus, you'll gain essential job-ready skills through an extensive work-integrated learning program. High performing students will also have the option of undertaking a research pathway in their chosen area.

Why choose Charles Sturt University?

International student scholarships

As a new international student, you may be eligible for a discount of up to 50% for the duration of your course (check our website for eligibility and conditions).

High in graduate salaries

Charles Sturt is ranked second among Australian universities for graduate salaries for both undergraduate and postgraduate students, with a median of \$75,100 and \$104,400 respectively*.

Our graduates get jobs

We're #1 in Australia for grads who get jobs, with 90% of Charles Sturt graduates gaining full-time employment within 4 months of graduating*.

Employers know Charles Sturt grads are skilled, confident and ready to get to work.

Extended post-study work rights

By living and studying on-campus in a regional area, you could be eligible for extended post-study work rights – meaning you'll have more time to find work to put your qualifications into practice after graduation.

Our campuses

At Charles Sturt, we're geographically gifted.

We have six campuses across regional Australia in Albury-Wodonga, Bathurst, Dubbo, Orange, Port Macquarie and Wagga Wagga, as well as our metro locations in Melbourne and Sydney.

Our study locations offer international students a safe and friendly Australian cultural experience, ensuring you feel at home while pursuing your educational goals.
